*Introducing*

# ***Optima Restore***

## **Health Insurance Plan**

The Optima Restore isn't just a regular health insurance plan. It is a plan that:

- **Cares for You in illness**
- **Rewards You for Staying Healthy**

Now with Stay Active benefit, simply walk your way to good health and earn upto 8% discount on your renewal premium.

**The more you walk, the healthier you and your family gets!**

Stay Active benefit comes along with the other Uncomplicated Benefits such as Auto restoration of sum insured if utilized during the year, 100% no claim bonus after 2 claim free years and much more!

## RESTORE BENEFIT

A unique Restore benefit that automatically reinstates the basic sum insured in case you exhaust it in a policy year. Sure it sounds too good to be true but here is how it works:

If you use up your coverage in an individual policy and fall ill with another illness, we will restore the entire sum insured for you to use, at no extra charge. If someone's illness in your family uses up the coverage in a floater policy and if any other family member falls ill later during the same insured period, we will restore the entire amount at no extra charge.

So, if you have a Rs. 5 lakhs policy and exhaust the entire amount, we will restore Rs. 5 lakhs, which you can use for some other illnesses or for any other member covered under the family floater policy, if needed.

*The coverage would be the accumulation of basic Sum Insured and accumulated Multiplier Benefit (if any).*

## HEALTH CHECK UP

Optima Restore helps you keep track of your health status with its preventive health check up benefit offered at renewal irrespective of claim status. The health check up benefit is available once in 2 years on sum insured of Rs 5 lakhs and once every year on sum insured of Rs 10 lakhs & above.

## MULTIPLIER BENEFIT

The amazing restore benefit also comes with a never before renewal incentive. If you've had a claim free year, we'll increase your basic sum insured by 50% as no claim bonus. If you don't claim even in the second year, we'll double your basic sum insured as no claim bonus i.e. 100% of the basic sum insured. So, if you have a 5 lakh policy and don't claim in the first year, we will increase your cover to 7.5 lakh for the second year and 10 lakh in the third year (if you don't claim in the second year), while you only pay a premium for a 5 lakh policy.
