

We are Concerned for you & your family

We did a deep dive into the possible strategies of how we can help , serve for an urgent medical or financial assistance .

Few Points we have gathered where we can help you in the current scenario !

1.Team support : We are There For You !

Our staff & technical support is continuing to work normal business hours.

2.Operations : Digital Fintech !

Our team is equipped with all necessary resources & tools to operate from any location .

As a team we are committed to positive action during this time.

3.Medical Contingency : Your Existing health insurance covers covid !

Make sure all your medical cover is active !

In case you Dont have one , We will be happy to Guide .

You may Please Reach Out to us in case of any Assistance / Guidance Needed ! .

4.Financial Contingency : We will help You Digitally !

Create an emergency fund now in case go out of order .

Banks are unoperational ,you may withdraw from your debt fund in case of emergency

Atleast 6 months of expense should be there as back up IN LIQUID FUNDS .

5.YOUR FAMILYS FINANCIAL SECURITY is of utmost importance !

Make Sure Your Life cover is Alive .

Any assistance needed please reach out to us ...

6.Guaranteed plans ! (Remain Unaffected)

Inspite of the interest rates going south all & chances are to fall further but our guaranteed plans hold good.

When we started our association we have always keep your principal safety first hence we have started with guaranteed plans & risk cover.

7.Regular Updates :

In the meantime, we encourage you to follow <https://www.mohfw.gov.in/> for the latest Coronavirus updates.

8.Conclusion :

As business owners & entrepreneurs most of us were driven to create something we believe needs to exist.

That drive requires ingenuity, creativity & above all leadership.

We will continue to send updates on every saturday as usual in case of anything alarming we would send whats app during the week as the situation evolves.
