

## Why we should not Redeem the Funds at Loss ?

### 1. Notional Loss VS Actual Loss:

Redemption of Fund in Correction means 📉 Notional loss will become Actual loss.

### 2. SWP:

SWP from existing Funds to SIP in funds

### 3. What is SWP ( Systematic Transfer Plan ) ? :

### 4. Averaging Out:

SWP Will Reduce the Losses from Existing Funds

Sip Will Increase the returns in Growth .

### 5. SIP in New Funds:

SIP in Best Funds ⭐ will Improve our Portfolio Performance.

### 6. What Is a SIP :
