

Most people think that they don't need to plan their inheritance or estate it's because they are unaware about it's importance

You cannot predict your future, but you can take necessary precautions to ensure your loved ones are safe when you are not there to take care of them.

Estate & Inheritance Planning ensures that your family is safeguarded atleast financially in case of eventuality or unable to take financial decisions due to incapacitation.

Why estate planning is important?

1. Prevents unintended beneficiaries
2. Protects family & custody of children
3. Spare heirs a big tax bite.
4. Eliminates family mess

FOUR NECESSARY TOOLS OF ESTATE PLANNING

- * WILLS
- * FINANCIAL DURABLE POWER OF ATTORNEY
- * LETTER OF GARDIANSHIP
- * LIVING WILL
