

New Deposits Placement through HDFC Online Deposits Platform based on OTP authentication

We are pleased to launch Online Facility for processing Placement of New Deposits based on OTP authentication through our HDFC Online Deposits platform :

<https://online.hdfc.com/hdfcdeposits/>

In order to process new deposits using the online facility based on OTP authentication, the below mentioned conditions should be complied:

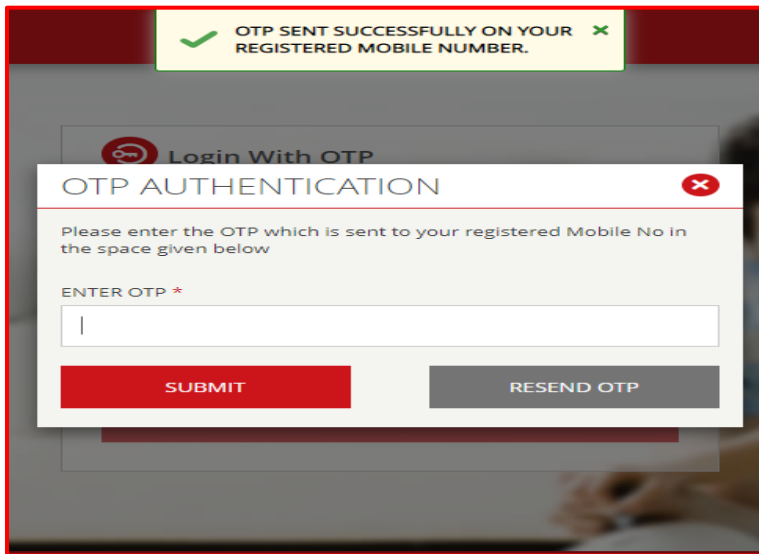

1. All the depositors should be Individuals (Resident Indian or Non Resident Indian), KYC complied and not a minor. Their KYC complied customer number must be existing in our database.
2. All the depositors should have their mobile number, date of birth and address updated in the database.
3. All depositors should have their PAN registered with HDFC Ltd.
4. No depositor should not be deceased.
5. Please note that before submission of online deposit application form, the funds should be credited to HDFC Account either through (a) Transfer through RTGS/NEFT or (b) Depositing cheque to our bank account with HDFC Bank using special CMS slip book. However, HDFC Bank customers need not do the fund transfer in advance, since the above link provides an option to transfer funds through payment gateway. Payment gateway facility for customers of other banks will be provided in due course. Until then, they have to transfer funds separately before submission of online application form.
6. Broker code will be automatically picked up from the customer's earlier deposit.

Process Note for reference of the key partners:

1. The First depositor in the deposit has to login through OTP authentication in above URL using his PAN and Date of Birth and entering the Captcha code.

The screenshot shows the HDFC Deposits online interface. At the top left is the HDFC logo and the word 'DEPOSITS'. The main content area is titled 'Login With OTP' with a red circular icon. Below this, there are three input fields: a PAN field with the value 'ABCPD5678A', a 'DATE OF BIRTH' field with a calendar icon and placeholder 'DD-MON-YYYY', and a Captcha field with the text 'RRQE5C' and a placeholder 'Type the text'. At the bottom of the form is a red button labeled 'GENERATE OTP'.

2. An OTP will be sent on the First depositor's registered mobile number.

3. After entering the OTP and clicking on SUBMIT → customer (first depositor) will log in to his/her **dashboard** where his/ her existing deposits portfolio with HDFC Ltd will be displayed. In Financial Transactions Tab → A sub-menu Placement of Deposits is available.

Select the plan and period

PREMIUM PLAN	REGULAR PLAN	SPECIAL DEPOSIT PLAN			
PERIOD	MONTHLY INCOME PLAN	QUARTERLY OPTION	HALF-YEARLY OPTION	ANNUAL INCOME PLAN	CUMULATIVE OPTION
15 MONTHS	6.90%	6.95%	7.02%	--	7.15%
22 MONTHS	7.00%	7.05%	7.12%	7.25%	7.25%
30 MONTHS	6.95%	7.00%	7.07%	7.20%	7.20%
44 MONTHS	7.00%	7.05%	7.12%	7.25%	7.25%

You have selected the **PREMIUM DEPOSIT - MIP**, with a rate of interest of **6.90%** for a [View Full Rate Chart](#) period of **15 Months**

Maturity Amount: **Rs.5,00,000** Maturity Date: **22-JUL-2021**

Once the product, period and rate is selected, the customer has to fill up Broker Code (if any), Maturity Instruction for the deposit. Also, customer has to view Terms & Conditions as well as Latest Financials and confirm the same by ticking the disclaimers. Once ticked, customer can click on PROCEED.

SELECT MATURITY INSTRUCTION

I am agreeable to [Terms and Conditions](#) governing HDFC Deposit.

I/We have gone through the financial and other statements / particulars / representations furnished/made as on **31st March 2019** by the Corporation and after careful consideration, I/We am/are making the deposit with the Corporation at my/our own risk violation.

**** Please note that SOFT COPY OF CHEQUE IS REQUIRED TO BE UPLOADED, in case you are transferring funds through net banking.**

- The next screen will display Step 4 - Remittance. Here 3 modes of remittance will be available. 1) Net Banking 2) Already Remitted E-CMS 3) Cheque Already Deposited in HDFC Bank

For using any of these remittance options customer will have to first either select one of his existing bank account details available with us from the drop-down or add new bank account details which have been / will be used for remittance. **Note that whenever new bank details are added, the customer will have to upload a copy of bank statement or cancelled cheque for verification subject to which EFDR will be kept on hold.**

Also, important information with respect to which effective date will be given for the deposit etc. has been given in the I (information) button marked in red for each remittance mode.

In case of option (1) → Remittance will be made by the customer to HDFC Ltd using Payment Gateway which will re-direct customer to his net banking login page for carrying out remittance without adding HDFC Ltd as beneficiary. After the remittance is carried out then, the customer will again be re-directed to HDFC Ltd Online Deposit Placement webpage for carrying out OTP authentication and submission of application. Currently only HDFC Bank has been enabled in this facility. Some additional banks will also be enabled shortly.

Pending Transactions: In case, the customer successfully carries out remittance and is re-directed back to HDFC Ltd Online Deposit Placement webpage for carrying out OTP authentication. However, due to any unforeseen reasons/circumstances fails to carry out OTP authentication successfully then, such transactions will get saved under PENDING TRANSACTIONS tab. Customer at a later convenient point of time can again select that transaction from PENDING TRANSACTIONS and proceed directly to carry out OTP authentication. Note that, unless OTP for all depositors (including joint) is successfully validated and application is submitted, the deposit application process will not be considered complete and the deposit will not get processed.

In case of option (2) → Remittance will already have been made by the customer to HDFC Ltd bank account through NEFT / RTGS / Fund Transfer by adding HDFC Ltd as a beneficiary in his/her net banking. Our bank account details are - HDFC Limited, **Bank A/c number 00600350003778, HDFC Bank, Fort branch, Mumbai, (IFSC - HDFC0000060).** Alternatively, transfer can be done using virtual Account number as: **Beneficiary Name:** HDFC LTD. **Account No:** HDFCFD+Depositors PAN (i.e. if PAN of the depositor is ABCDE1234Z then account number should be mentioned as HDFCFDABCDE1234Z). **Customer with bank details will have to input Remittance Mode 9RTGS/NEFT/FT) & UTR for validating the remittance. Based on the information input the remittance will be searched in the bank statement and validated by the system.**

In case of option (3) → Remittance will already have been made by the customer to HDFC Ltd bank account by directly depositing cheque in HDFC Bank with the use of specially designed Cash Management Pay slip book created for this purpose. **Customer along with bank details will have to input Cheque No. and Pay slip No. for validating the remittance. Based on the information input the remittance will be searched in the bank statement and validated by the system.**
